

Hi (fname), we noticed you have not been opening our emails -

We hate to see you go...

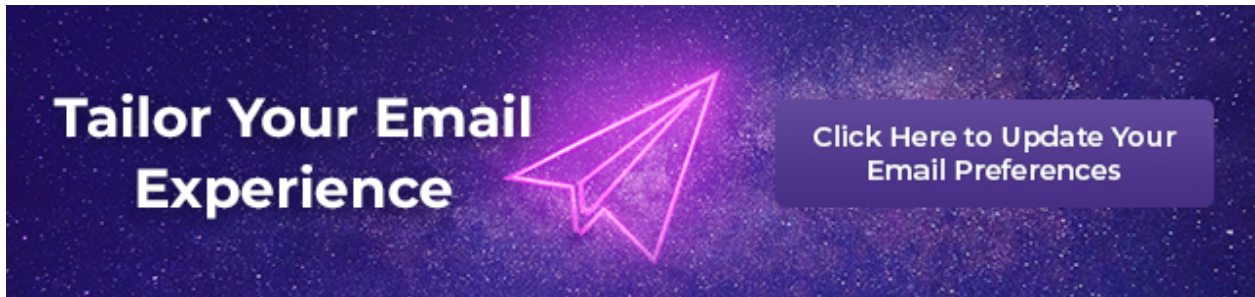

We want to find a way to give you what you need but, if you don't want emails from us, we totally understand! If you don't click to let us know what you want, we'll stop sending you these emails.

...but we'd love to have you back!

We are working on new content, including a Weekly and Monthly Newsletter for our customers who want to stay in the loop, but not feel bombarded by a full inbox every day. If this sounds up your alley, we will reach out to you when we have a little extra to offer!

I'm not ready to say goodbye!!

Visit our preference center at any time to unsubscribe or update your email options.

Stay in the loop, but get less emails...

Not into the emails? Keep your spot in the community warm by visiting us on our social media platforms! This way, you can control how much - or how little you consume from us.

You can also check in and tell us how we're doing, what you wish we would do and how we can serve you better!

You can come back any time - we'd love to have you.
